But few words need be said by way of introduction to our mining review this past week 855 tons of ore, and all the sile at Bullionville, Dry Valley and in the canyon are running to their fullest capacity. The shipment of bullion from Pioche for the month of January, notwithstanding the unusually severe weather and almost impassable condition of the roads, was \$241,566.77-equal to \$2,898,sol.24 per annum. We have also the pleasure of stating that the resumption at work at Highland will afford employment to a large force and add to our ship-

Shipments by rail week were 855 tons of ore, foregoing report was furnished by the foreman, Thomas Andrews. The motive power of the Raymond & Ly mine consists of two engines—one is inch cylinder by 24-inch stroke, which raus the cage in the west shaft; the other, lately erected, the east cage, a double decker, weighing fifteen hundred double decker, weighing fifteen hundred poinds—with complement of cars loaded six thousand pounds. This beautiful pirce of mechanism, displaying the master-hand of genius in the design and crection, was planned by Mr. Geo. E. Ames, and was constructed by Booth & Co., of San Francisco. It is of 80-horse power, 20-inch cylinder and 36-inch stroke, with balance valve in the brake, and every improvoment that steam engineering of modern times suggests. pineering of modern times suggests. WASHINGTON AND CREOLE. Work progresses well, without material change since our previous review, ore bodies then developed remaining about the same. Another 100 feet was added to the depth of the Mazeppa shaft, making it 560 feet deep. A contract has been let for sinking this 100 feet further, which, when committed 100 feet further, which, when completed, will bring it to the present working level of the Wash-ington & Creole mine. Since the 22d ult. 193 tons of ore from this mine have been shipped to the American Flag and Amador mills, the average battery assays reaching \$115 to the ton. The first shipment of bullion from this ore will be made to-morrow.

INDIAN AGENT INCALLS. - A petition for the removal of Indian Agent Ingalia has been sent to Washington. The peticontains splendid ore, which can be contains splendid ore, which can be worked to much better advantage than of Pioche, many of whom have been and of Pioche, many of whom have been and are still sufferers by his confidence games. We have very little doubt but the authorities at Washington will act in accordance with the expressed will of the people in this matter, and only give publicity to these facts now that the people, as well as the Federal authorities, may be advised of Ingalis' course officially and personally. The merchants whose names we are authorized to mention in connection with Ingalis' confidence operations are Frank Wheeler & Co., and Jacoba & Sultan, besides the proprietors of the Recent, and the ranchers and farmers accounted. of the Ercond, and the ranchers and farmers generally on the Muddy.

LAND OFFICE. - Some eight months ago an order was issued by the Interior Dapartment for the removal of the Land office from Belmont to Pioche, and as early as September last the Register and Receiver advertised for proposals for the removal of the archives of that office to Pioche; but since then nothing has been done, and the order of the Depart-ment is still disregarded. Affidavits ment is still disregarded. Affidavita made here have been forwarded to Washington setting forth that moneys have been paid to that office for which no return has been received. It is about tim these abuses were corrected, and we be again to urge the subject upon the atten-tion of Senators Jones and Stewart an Representative Kendall.

PRELIMINARY EXAMINATION. - Yester day afternoon Chandler, alias "Tex, and Robinson were brought befor Justice Van Hagen for examination on charge of grand largeny. The accuse were informed of the nature of th were informed of the nature of the charges brought against them and that they were entitled to counsel. "Tex" said he didn't want any lawyer, and would plead guilty. (This amounts to waiving a preliminary examination—nothing more—in the Justice's Court. "Tex" probably took into consideration the present state of the county finances, and wanted to save expenses.) Robinson's case was set for Monday evening at 6 o'clock.

FIREMEN'S MEETING .- At the jo meeting, last night, at the old Reco office, of the Lightner Hook and Lad Company and the Pioche Hose Co pany, for the purpose of consolidat pany, for the purpose of consondant the two companies, a committee, or sisting of the President and three me bers from each company, was appoint with power to consummate the cons-dation, and to report at the next jo ceting.
